

Crochet Christmas tree hangers

Material Materials

- Crochet hook 4-5mm/GB 6-8/US G6-H8
- Needle to weave in the ends
- Scissors

Yarn

- byClaire Softmix yarn in various colours
- byClaire Sparkle yarn in various colours

Size

- 7 cm diameter
- 3 cm deep

Good to know before you start

The bauble is made by crocheting 2 'bowls'.

Bowl 1 (the inside) is made with 2 rounds of byClaire Sparkle and 1 round of byClaire Softmix.

Bowl 2 (the outside) is made with 3 rounds of byClaire Softmix.

Colour tip: The more, the merrier!!!! But these also look great when you use muted colours.

For this hanger, you work the same pattern twice.

Bowl 1: inside

Bowl 2: outside

Round 1: Sparkle

Round 1: Softmix

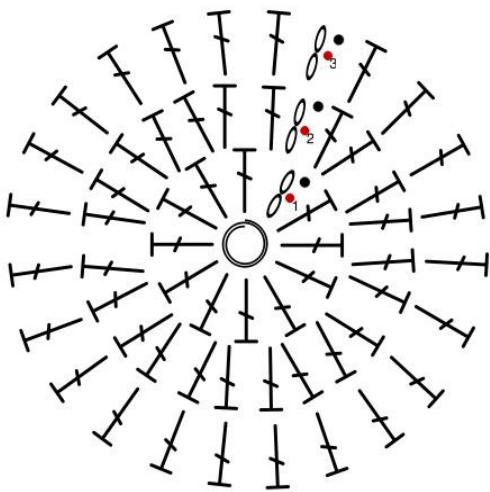

Round 2: Sparkle

Round 2: Softmix

Round 3: Softmix

Round 3: Softmix

Pattern description

Round 1

Work a magic ring or ch 4 and close into a ring with a sl st.
Into this ring, ch 2 and trc/dc 11 (total 12 sts).
End the round with a sl st in the 2nd ch of the first st.

Round 1: Bowl outside

Round 1: Bowl inside

Round 2

Ch 2 and work trc/dc 2 in between the sts of the previous round (= 24 sts).
End the round with a sl st in the 2nd ch of the first st.

Round 2: Bowl outside

Round 2: Bowl inside

Round 3

Ch 2, and dc 1 in each st.
This way, the edge stands 'up' and you get a bowl shape.
End the round with a sl st in the 2nd ch of the first st.

Finishing

Weave in the ends.

Put the bowls together, making sure that the wrong sides are put together, so that you can see the good side of the inside bowl on the front and the good side of the outside bowl on the back.

Work sl sts around the edges of the bowls to crochet them together: Work in the back loop of the inside bowl and the front loop of the outside bowl.

Insert the hook under these two loops and pull up the yarn, and loosely pull through the loop on the hook.

Repeat all the way around.

Make a small loop to hang up the bauble. You can make a loop by working ch sts or by attaching a length of Sparkle.

Happy Hooking *Claire*
